The screenshot shows the McAfee login page. At the top right, it says "United State". The McAfee logo is in the top left, with the tagline "Together is power." Below the logo is a navigation bar with links for "Products", "Support", "Free Trials", "Common FAQs", and "Virus Info". The main content area is titled "Log In to McAfee" and contains the text "Welcome back! Please log in below to continue." There are two input fields: "Email Address:" and "Password:". Below the password field is a checkbox labeled "Remember Me". At the bottom of the form is a red "LOG IN" button.

2. Download Installer McAfee

The screenshot shows the McAfee account management interface. At the top, there is a navigation bar with the McAfee logo and links for Products & Services, Devices, Resources, Support, and Free Trial. On the right side of the navigation bar, there is a flag for the United States and a link for Account. Below the navigation bar, the page is titled "My account" with a "FAQs" button. The main content area is divided into three sections. The left section, titled "Welcome, software!", displays the user's login information: "You're logged in as: softwareoriginalindonesia@gmail.com" and "You're covered with: McAfee® LiveSafe™". The middle section features an illustration of a man sitting at a desk with a laptop and a woman standing next to him, with a smartphone icon above them. The right section, titled "Protection for all your devices", contains the text: "PCs, Macs, smartphones, or tablets — your subscription covers them all. Download your protection on this device or send a link to another device." and a prominent blue "Download" button.
